

PATTEN LAW FIRM

A CLOSING OFFICE FOR TEXAS AMERICAN TITLE COMPANY

Company Profile

Patten Law Firm serves as your foundation to the American dream of real property ownership. Clear title ensures that owners and lenders alike operate with certain understandings of their property dominion status. Patten Law Firm provides you the following title insurance advantages:

Customer-Driven Services

Patten Law Firm provides products and services according to customer requirements. Our team members take personal ownership in delivering excellent customer service.

Knowledge & Experience

Patten Law Firm team members are experts in refinance, home equity, residential and commercial closing services. Ashley Patten, our attorney/owner, is readily accessible and is dedicated full time to closing services.

Service

With Patten Law Firm's strong relationships with Fortune 500 Underwriters, such as Texas American Title, you get big company offerings with hometown service.

Added Value

Patten Law Firm represents a class of service unequalled in the industry. We use continuous process improvements, coupled with uncompromising integrity, delivered by an outstanding team dedicated to satisfying customer needs.

Delivery Service Options

Patten Law Firm delivers products according to your technology needs, including e-mail, on-line, fax, or hand delivery.

Texas Ownership

Because Patten Law Firm is a Texas owned company, we take customer satisfaction personally. Decisions are driven by customer satisfaction, not stock dividends.

Patten Law Firm provides a fresh, new, progressive approach to the title insurance industry by embracing change to create advantages for our customers. Patten Law Firm, the technology-enabled team of title and escrow professionals, is "raising the bar" for customer service in Texas.
